Paying Your Plan Premium

You can pay your monthly plan premium (including any late enrollment penalty you may owe) by mail, credit card, pay by phone, or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month, if eligible.

If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security or RRB benefit check or be billed directly by Medicare. **DO NOT** pay the Part D-IRMAA extra amount to WellCare.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover. If you don't select a payment option, you will get a coupon book to pay your monthly premiums.

Please select a premium payment option:

Social Security Railroad Retirement Board

Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check (if eligible). The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, or approves deductions to begin after the enrollment effective date, we will send you a bill for your monthly premiums.

Get a coupon book for monthly premium payments.

Note: You may pay your plan premiums by credit card, through Electronic Funds Transfer (EFT), pay by phone, or by automatic deduction from your bank account (checking/savings) instead of using the monthly coupons. To set up your payment, visit our website at www.wellcare/PDP.com or call Customer Service at the number on the inside cover. If you select EFT, once we receive your paperwork, it can take up to two months for your changes to take effect. Please keep paying your monthly bill until then.

If you are a member of a Medicare Advantage plan (like an HMO or PPO), you may already have prescription drug coverage from your Medicare Advantage plan that will meet your needs. By joining WellCare, your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage plan sends you and if you have any questions, contact your Medicare Advantage plan.

If you currently have health coverage from an employer or union, joining WellCare could affect your employer or union health benefits. You could lose your employer or union health coverage if you join WellCare. Read the communications your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If there isn't information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

By completing this enrollment application, I agree to the following:

WellCare (PDP) is a Medicare-approved Part D sponsor. Enrollment in WellCare (PDP) depends on contract renewal. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare Part A and/or Part B coverage. It is my responsibility to inform WellCare of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare Prescription Drug Plan at a time—if I am currently in a Medicare Prescription Drug Plan, my enrollment in WellCare will end that enrollment. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes if an enrollment period is available, generally during the Annual Enrollment Period (October 15–December 7), unless I qualify for certain special circumstances.

WellCare serves a specific service area. If I move out of the area that WellCare serves, I need to notify the plan so I can disenroll and find a new plan in my new area. I understand that I must use network pharmacies, except in an emergency when I cannot reasonably use WellCare network pharmacies. Once I am a member of WellCare, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from WellCare when I get it to know which rules I must follow to get coverage.

I understand that if I leave this plan and don't have or get other Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with WellCare, he/she may be paid based on my enrollment in WellCare. Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug Plan options, medical assistance through the state Medicaid program and the Medicare Savings Program.

Release of Information:

By joining this Medicare Prescription Drug Plan, I acknowledge that WellCare will release my information to Medicare, other plans and providers as is necessary for treatment, payment and health care operations. I also acknowledge that WellCare will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.
