Section 1 – Introduction

This directory provides a list of your plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

If you are enrolled in a standard Aetna Medicare℠ Plan (HMO), you will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. Your PCP will issue referrals to participating specialists and facilities for certain services. For some services, your PCP is required to obtain prior authorization from Aetna Medicare. Except for emergency or urgent care situations and for certain direct access services, you will need to obtain a referral from your PCP before seeking covered non-emergency specialty or hospital care. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers neither Medicare nor Aetna Medicare will be responsible for the costs.

If you are enrolled in an Aetna Medicare℠ Plan (HMO) open access, you are not required to choose a **P**rimary **C**are **P**rovider (PCP), but are encouraged to do so. You are also free to visit network providers without a referral to receive covered services. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain care from out-of-network providers neither Medicare nor Aetna Medicare will be responsible for the costs.

The network providers listed in this directory have agreed to provide you with your health care, vision, hearing and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Sección 1 - Introducción

Este directorio proporciona una lista de los proveedores de la red de su plan. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura.

Si está inscrito en un Aetna Medicare℠ Plan (HMO) estándar, deberá elegir a uno de nuestros proveedores de la red que aparece en este directorio para ser su Proveedor de atención primaria (PCP). Generalmente, usted debe obtener sus servicios de atención médica de su PCP. Su PCP emitirá referencias médicas a los especialistas y centros médicos de la red para ciertos servicios. Para algunos servicios, su PCP debe obtener autorización previa de Aetna Medicare. A excepción de situaciones de atención de emergencia o de urgencia y para ciertos servicios de acceso directo, necesitará obtener una referencia médica de su PCP antes de buscar cuidado hospitalario o especializado cubierto para cuidado hospitalario o especializado no de emergencia. Usted debe visitar proveedores de la red excepto en situaciones de atención de emergencia o de urgencia, o para recibir diálisis renal fuera del área. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Aetna Medicare serán responsables de los costos.

Si está inscrito en un Aetna Medicare℠ Plan (HMO) de acceso abierto, no está obligado a elegir un **P**roveedor de **a**tención **p**rimaria (PCP), pero se le anima hacerlo. También puede visitar proveedores de la red sin una referencia médica para recibir servicios cubiertos. Debe consultar los proveedores de la red, excepto en casos de atención de emergencia o de urgencia, o para diálisis renal fuera del área. Si obtiene atención de proveedores fuera de

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill. Submit it to Aetna Medicare for processing and determination of your cost-sharing amount, if any. Our claims/billing address is on the back of your ID card.

Certain network health care services, such as hospitalization or outpatient surgery, require prior authorization from Aetna Medicare. This means the service must be approved by Aetna Medicare before it will be covered under the plan. To get detailed information about your health care coverage, please see your Evidence of Coverage. When you need services that require prior authorization from a network provider, the provider is responsible for obtaining prior authorization from Aetna Medicare before treatment. If your plan includes an out-of-network benefit and you decide to receive covered services from an out-of-network provider, we recommend you ask your out-of-network provider to contact Aetna Medicare for prior authorization of those services.

Emergency care
If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world. Whether you are in or out of an Aetna Medicare service area, we simply ask that you follow the guidelines below when you believe you need emergency care.

- Call the local emergency hotline (for example, 911) or go to the nearest emergency facility. Notify your PCP as soon as possible after receiving treatment. Or if a delay would not be harmful to your health, call your PCP.

- If you are admitted to an inpatient facility, you, a family member or friend on your behalf should notify your PCP or Aetna Medicare as soon as possible.

la red, ni Medicare ni Aetna Medicare serán responsables de los costos.

Los proveedores de la red que aparecen en este directorio han acordado brindarle servicios de atención médica, de la vista, audición y dentales. Usted puede acudir a cualquiera de los proveedores de la red que se enumeran en este directorio; sin embargo, algunos servicios pueden requerir una referencia médica.

En los casos en que los proveedores fuera de la red le presenten una factura directamente a usted, no debe pagar la factura. Enviarlo a Aetna Medicare para el procesamiento y determinación de la cantidad de costo compartido, en su caso. Nuestra dirección de correo postal para reclamos o facturación se encuentra en la parte posterior de su tarjeta de identificación.

Ciertos servicios de atención médica de la red, como la hospitalización o cirugía ambulatoria, requieren la autorización previa de Aetna Medicare. Esto significa que el servicio debe ser aprobado por Aetna Medicare antes que sea cubierto por el plan. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura. Cuando se le requiere autorización previa para obtener servicios por parte de un proveedor de la red, el proveedor es responsable de obtener la autorización previa de Aetna Medicare antes de brindar tratamiento. Si su plan incluye un beneficio fuera de la red y usted decide recibir los servicios cubiertos de un proveedor fuera de la red, se recomienda pedir a su proveedor fuera de la red que se comunique con Aetna Medicare para recibir la autorización previa de dichos servicios.

Atención de emergencia
Si usted necesita atención de emergencia, está cubierto las 24 horas del día, los 7 días

If you are traveling outside of the Aetna Medicare℠ Plan (HMO) service area, you are covered for emergency and urgently needed care. Emergency care can always be obtained in or out of the service area from the nearest available provider.

When in the network service area, HMO plan members must use network providers for urgent care unless the providers are not available. When out of the service area, urgent care may be obtained from the first available provider. Urgent care may be obtained from a private practice physician, a walk-in clinic, an urgent care center or an emergency facility anywhere worldwide. We will review the information submitted to us by the provider who supplied your care. If the nature of the urgent or emergency problem does not qualify for coverage, you may have to provide us with additional information.

Follow-up care after emergencies
All follow-up care should be coordinated by your PCP. Whether you were treated inside or outside your Aetna Medicare service area, if your plan requires referrals, you must obtain a referral before any follow-up care can be covered. If your plan does not require referrals you should contact our Member Services department at **1-800-282-5366 (TTY: 711)**, 8 a.m. to 8 p.m., local time, seven days a week before care is received at out-of-network facilities. Suture removal, cast removal, X-rays and clinic and emergency room revisits are some examples of follow-up care.

de la semana, en cualquier lugar del mundo. Ya sea que usted se encuentra dentro o fuera de la red de un área de servicios de Aetna Medicare, simplemente solicitamos que siga las siguientes pautas cuando cree que necesita atención de emergencia.

- Llame la línea directa de emergencia local (por ejemplo, 911) o diríjase al centro médico de emergencias más cercano. Notificar a su PCP tan pronto como sea posible después de recibir tratamiento. O bien, si la demora no es perjudicial para su salud, llame a su PCP.

- Si es ingresado en un centro médico para pacientes hospitalizados, usted, un integrante de la familia o un amigo en su nombre debe notificar a su PCP o Aetna Medicare tan pronto como sea posible.

Si está de viaje fuera del área de servicio del Aetna Medicare℠ Plan (HMO), usted está cubierto para la atención de emergencia y de urgencia. La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano.

Cuando se encuentra en el área de servicio de la red, los miembros del plan HMO deben utilizar proveedores del plan para recibir atención médica de urgencia a menos que los proveedores no estén disponibles. Cuando se encuentra fuera del área de servicio, se puede obtener la atención médica de urgencia del primer proveedor disponible. La atención médica de urgencia se puede obtener de un médico de práctica privada, una clínica sin cita previa, un centro médico de urgencia o un centro médico de emergencia en cualquier lugar a nivel mundial. Revisaremos la información presentada a nosotros por el proveedor que suministra su atención. Si la naturaleza del problema de urgencia o emergencia no

Primary care dentists who participate in the Aetna Medicare DMO dental plans are listed in this section. You may have to enroll in and pay an additional monthly (OSB) premium for this coverage. Please see your Evidence of Coverage for detailed information about your dental coverage.

If you need specialty dental care, your primary care dentist must refer you to a participating dental specialist, if one is available. This way you'll receive the in-network benefit. If there's no participating specialist available, please contact the plan for help. We don't allow unauthorized, out-of-network referrals.

Los dentistas de atención primaria que participan en los planes dentales DMO de Aetna Medicare se enumeran en esta sección. Puede que tenga que inscribirse y pagar una prima mensual adicional (OSB, por sus siglas en inglés) para esta cobertura. Consulte su Evidencia de Cobertura para obtener información detallada acerca de su cobertura dental.

Si necesita atención dental especializada, su dentista de atención primaria debe referirlo a un especialista dental de la red, si hay alguno disponible. De esta manera recibirá los beneficios dentro de la red. Si no hay un especialista de la red disponible, póngae en contacto con el plan para obtener ayuda. No permitimos referencias médicas fuera de la red no autorizadas.

Introduction

This booklet provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Aetna Medicare formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under the plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in the plan's Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/01/2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a ✪ to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Aetna Rx Home Delivery®. For more information, please contact

Introducción

Este folleto ofrece una lista de nuestras farmacias de la red. Para obtener una descripción completa de su cobertura de farmacia, incluyendo cómo surtir sus medicamentos bajo receta, consulte la Evidencia de Cobertura y el Listado de medicamentos del plan de Aetna Medicare.

Nosotros llamamos las farmacias en esta lista nuestras "farmacias de la red" porque hemos hecho arreglos con ellos para que proporcionen medicamentos bajo receta a los miembros del plan. En la mayoría de los casos, sus medicamentos bajo receta están cubiertos por el plan únicamente si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que acuda a una farmacia, no está obligado a seguir yendo a la misma farmacia para surtir sus medicamentos bajo receta, sino puede cambiarse a cualquier otra de nuestras farmacias de la red. En determinadas circunstancias, surtiremos los medicamentos bajo receta en las farmacias que no pertenecen a la red, como se indica en su Evidencia de Cobertura.

Todas las farmacias de la red pueden no estar enumerados en este directorio. Las farmacias pueden haber sido agregadas o retiradas de la lista después de imprimirse este directorio. Esto significa que las farmacias que se enumeran a continuación pueden no estar en nuestra red, o puede haber nuevas farmacias en nuestra red que no figuran en la lista. Esta lista está actualizada a partir del 01/01/2018. Para obtener la lista más actualizada, póngase en contacto con nosotros. Nuestra información de contacto aparece en la portada anterior y posterior del directorio.

Puede acudir a todas las farmacias en esta lista, pero los costos de algunos

us or see the mail order section of this pharmacy directory.

This directory is for a geographic area which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact us at the number on your ID card or visit **www.aetnamedicare.com/findpharmacy**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

medicamentos pueden ser menores en las farmacias de esta lista que ofrecen el costo compartido preferido. Hemos marcado estas farmacias con el símbolo ✪ para distinguirlas de otras farmacias de nuestra red que ofrecen el costo compartido estándar.

Usted puede obtener los medicamentos bajo receta enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red que se llama Aetna Rx Home Delivery®. Para obtener más información, póngase en contacto con nosotros o consulte la sección de pedidos por correo en este directorio de farmacias.

Este directorio es para el área geográfica en el que se incluye el área en donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y existen más farmacias en donde sus medicamentos bajo receta podrán ser cubiertos por nuestro plan. Para obtener información sobre más farmacias en nuestra red del plan que no aparecen en este directorio, póngase en contacto con nosotros al número que figura en su tarjeta de identificación o visite **www.aetnamedicare.com/findpharmacy**.

Si tiene alguna pregunta acerca de cualquiera de lo antedicho, consulte las primeras y últimas portadas de este directorio para obtener información sobre cómo comunicarse con nosotros.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called **Aetna Rx Home Delivery®✪.**

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs from 10 to 14 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-800-282-5366 TTY: 711**, 24

Farmacia de pedidos por correo

Usted puede obtener los medicamentos bajo receta enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red, que se conoce como **Aetna Rx Home Delivery®✪.**

Si ha utilizado los servicios de pedidos por correo con su plan actual anteriormente, o si se inscribe ahora, nuestra farmacia surtirá y enviará automáticamente los nuevos medicamentos bajo receta que recibió directamente de sus médicos o demás recetantes.Usted puede cancelar las entregas automáticas de nuevas recetas médicas en cualquier momento poniéndose en contacto con nosotros. Si nunca ha utilizado el servicio de entrega de pedidos por correo y/o decide cancelar las recargas automáticas para nuevos medicamentos bajo receta, nos pondremos en contacto con usted cada vez que obtiene una nueva receta médica de un proveedor, para ver si desea que se surta y envíe el medicamento en ese momento. Esto le dará la oportunidad de asegurarse de que el medicamento correcto (incluyendo la dosis, cantidad y forma) será entregado y, si es necesario, permitirle cancelar o retrasar el pedido antes que le facturan y se envíen.

Para recargas de sus medicamentos bajo receta de pedidos por correo, póngase en contacto con nosotros 14 días antes de pensar que los medicamentos que tiene a la mano se agotarán para asegurarse de que su próximo pedido se le envía oportunamente.
