# Introduction

This booklet provides a list of Aetna Medicare Rx plan’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Aetna Medicare Rx plan’s formulary. If you have additional questions, please call our Member Services at 1-877-238-6211, 8 am to 8 pm, 7 days a week. TTY/TDD users should call 1-888-760-4748. Or, visit [www.aetnamedicare.com](http://www.aetnamedicare.com).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Aetna Medicare Rx plan. In most cases, your prescriptions are covered under Aetna Medicare Rx plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

**For Aetna Medicare Rx individual plans shown in the table below (does not apply to employer group plans):** Preferred pharmacies are pharmacies in our network in which our plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at other network pharmacies. However, you will still have access to lower drug prices at these other network pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs. If you are an Aetna Medicare Rx individual plan member who resides in one of the states listed below, please refer to the table for your preferred pharmacy benefit.

Preferred Pharmacy	Applicable States	Preferred Pharmacy Benefit
<b>HEB</b> For members of Aetna Medicare Rx Essentials®, Plus® and Premier® plans	TX	3-month retail supply for 2.5x copays
<b>Costco</b> For members of Aetna Medicare Rx® - Costco Plus Plan only	AK, AZ, CA, CO, FL, HI, ID, IL, MI, NM, NV, NY, OH, OR, UT, VA, WA	Reduced 1-month copays for tiers 1-4; 3-month retail supply for 2.5x copays

## Aetna Medicare Rx Plan’s Network Pharmacies

To find a network pharmacy near your home, look under the pharmacy section of your choice (for example, “Retail”). The state, county and city are listed alphabetically in each plan pharmacy section. Network pharmacies that support electronic prescribing are indicated with **eRx**.

**Para los planes individuales de *Aetna Medicare Rx* mostrados en el cuadro de abajo (no aplica a los planes de grupo del empleador):** Las farmacias preferidas son las farmacias que pertenecen a nuestra red con las que nuestro plan ha negociado una participación de costos más baja en la compra de medicamentos bajo receta para los miembros del plan en comparación a otras farmacias que pertenecen a la red. Sin embargo, aún tendrá acceso a precios más bajos por los medicamentos en las demás farmacias que pertenecen a la red que en las farmacias que no pertenecen a la red.
